**RECIPE FOR CLASS 77** *You will need 225g unsalted butter softened, 225g caster sugar, 4 eggs, finely grated zest of 1 lemon and for the drizzle topping, juice of 1 ½ lemons and 85g caster sugar. Heat oven to 180C/fan 160C/gas 4. Beat together the butter and sugar until pale and creamy, then add the eggs, one at a time, slowly mixing through. Sift in the flour, then add the lemon zest and mix until well combined. Line a loaf tin (8 x 21cm) with greaseproof paper, then spoon in the mixture and level the top with a spoon. Bake for 45-50 mins until a thin skewer inserted into the centre of the cake comes out clean. While the cake is cooling in its tin, mix together the lemon juice and sugar to make the drizzle. Prick the warm cake all over with a skewer or fork, then pour over the drizzle - the juice will sink in and the sugar will form a lovely, crisp topping. Leave in the tin until completely cool, then remove and serve.*
